

# CSA Reporting

THE UNIVERSITY OF ARIZONA  
University Compliance

## Quick Reference Guide

### Your Duties as a CSA Working with Minors

As a CSA interacting with non-enrolled minors, please determine the age-appropriateness of disclosures of information or language used in communication and engage with parents and guardians as needed. For questions, please contact Youth Protection at [youthprotection@arizona.edu](mailto:youthprotection@arizona.edu)

- **Call 9-1-1 for an emergency requiring police, fire, or medical assistance.**
- **You may have multiple University reporting obligations and may need to submit multiple types of reports based on your role.** If child abuse or neglect is suspected reporting to a peace officer is your initial reporting obligation. For an explanation of the university's various reporting obligations, visit [youthprotection.arizona.edu](http://youthprotection.arizona.edu).
- **Complete the online CSA Reporting Form.** If informed of a crime or an incident that may be a crime, you must complete the CSA Reporting Form as soon as possible and within 24 hours. The form is available at [clery.arizona.edu](http://clery.arizona.edu).
- **If a Clery Timely Warning or Emergency Notification is issued during your program,** you are responsible for informing program personnel/participants and parents/guardians of these notices and sharing relevant resources and instructions (see below).
- **If supervising personnel, be sure to provide information about Clery reportable crimes to your team.** Inform them of their obligation to report Clery crimes to you as soon as possible. Additional information and resources are available including the list and definitions of Clery reportable offenses at [clery.arizona.edu/print-materials](http://clery.arizona.edu/print-materials).
- **Encourage crime victims/parents and guardians and witnesses to report crimes to UAPD or local law enforcement.** Reporting a Clery Crime to a CSA does not initiate an investigation. Note: You must report suspected child abuse or neglect directly to a peace officer.
- **Help connect the crime victims/parents and guardians with available options and resources.** Provide the Victims' Rights & Resources brochure available at [clery.arizona.edu](http://clery.arizona.edu).
- **When reporting, include reports from witnesses, third parties, victims, or offenders.** Tell the person who disclosed the crime that you must report that information as a statistic. Personally identifiable information, including victim names, is not made available to the public.

## Emergency Notifications

In the event of an emergency or crime that represents a serious or on-going threat, UAPD will issue a notice to the campus community either as a UAlert or Clery Timely Notice. If you receive one of these communications during the duration of your program, please complete the following steps:

1. Share or forward the notification to all program personnel including employees, designated campus colleagues, and volunteers.
2. Inform all parents or guardians of the notice and share any relevant resources or instructions as soon as possible.
3. Print and post the notification in high-visibility locations such as common areas, info desks, etc.

## When am I a CSA?

If you have not otherwise been designated as a permanent CSA based on your role at the university, you are only considered a CSA when working within the scope of your role as a youth program coordinator. If you receive a report of a Clery crime associated with your program, please report it as soon as possible.
